5781 - A Year of God's Favour

PRAY!!

We are at a crucial time in our nation. Let's remember to pray for our government, for all our leaders at every level of government. God spoke through Jeremiah Johnson at The Battle for Canada in Kelowna in February this year, that God would have mercy on Canada. We are crying out for His mercy, and for Him to raise up a righteous government. We are praying that everything that is in darkness would be brought into the light. We are praying for exposure from the highest level of government to the municipal sectors across Canada. We are praying for righteous leaders to be prepared, even now as we pray, with wisdom, integrity, provision and favour for winning elections; that they will lead well when they are elected.

24/7 PRAYER FOR CANADA

Christian Services Association partners with the Canadian Firewall to pray for our nation. Join our team on the wall Thursdays at 1pm Eastern time as we pray for His kingdom to come and His will to be done in Canada as it is in heaven. Go to www.canadianfirewall.ca to connect for prayer or to sign up to join on a team. The Canadian Firewall is open 24/7 so whichever time zone you are in, at whatever available time you have, you can join in prayer!

> I will bless and praise the Lord with my whole heart! Let all His works throughout the earth, wherever His dominion stretches, let everything bless the Lord!
> Psalm 103:22 TPT

HAPPY THANKSGIVING

from Patricia King, Jane Watrich, Nellie O'Hara and the Canada team

Thank you so much for your partnership with us! Many lives are being impacted and transformed! Due to covid, where we could not go in person, we went to the nations through social media, corporate prayer, personal ministry and online training. Our Arctic missions shipped thousands of dollars of bibles, dvd teachings, cds, and books so they could still receive training and discipleship when travel is not permitted and in the winter when it is challenging to fly in. Resources for all ages, all generations.

Thank You!
